Description	RESPONSE TO MEDIA ARTICLES RELATING TO ACQUISITION IN INDIA

We refer to the recent media articles in particular the article entitled "Bigger IHH footprint in India?" reported in page 2 in the business section of The New Straits Times published on 6 August 2015 relating to the acquisition by IHH Healthcare Berhad ("IHH") of India based Global Hospitals Group.

IHH is constantly evaluating growth opportunities in selected geographies in Asia. IHH wishes to clarify that it is in discussions with certain shareholders of the India based Ravindranath GE Medical Associates Private Limited (holding company of Global Hospitals Group) for a potential acquisition. However, it has not entered into a Share Purchase Agreement or such definitive agreements, with any of the shareholders, in this regard. Further, IHH is unable to comment, or provide guidance, at this stage, whether such acquisition will be completed, or not.

If, and when, such transaction is agreed, IHH will make the due announcements as per the requirements of the Main Market Listing Requirements of Bursa Malaysia Securities Berhad.
